COMMUNAL FACILITIES

Apartment Block Overview

Johnson Court is a 3 floor residential property with two adjoining blocks containing 24 separate living units. Each block has one communal entrance and one stairwell providing access and egress to residents' demise on all floors. This is the main route to be used in the event of a fire.

The property is constructed in a way that should prevent a fire from spreading. Walls, floors and fire doors should delay the spread of fire and smoke. If there is a fire elsewhere in the building it is usually safer to stay within your property.

Providing the integrity of the entrance door, to each property, is maintained and not compromised in any way, a fire within a property will be contained. The fire doors and concrete walls should resist the spread (for up to 60 minutes) before it spreads into the common parts of the block.

Fire Detection & Warning Systems

Each block is fitted with smoke detection systems linked to a control panel on the ground floor. In the event of a fire, the alarm will sound giving early warning to all tenants. Smoke detection systems should not be covered.

Manual Call Points (Break Glass)

There are manual call points fitted through the property. They are linked to a control panel on the ground floor.

Fire Alarm Testing

The fire alarms are tested to British Standards. Testing is carried out regularly, and the main control panel serviced annually.

Logging a Maintenance Issue

All communal maintenance issues must be reported to us via our online reporting system. This is monitored between 9.00am - 5.30pm from Monday to Thursday and 9.00am – 5.00pm Friday.

To access the online reporting system, please go to www.compass-bm.com and click 'Report a problem in your development'

For all URGENT block communal maintenance issues occurring out of hours (i.e. after 5.30pm Monday-Thursday, after 5.00pm Friday, at weekends and on bank holidays), please contact our emergency service on 0345 606 7660.

Waste Collection

Broxtowe Borough Council collects your refuse and recycling. The bin store is located in the car park. We kindly request that all residents follow these basic rules: -

- All rubbish must be properly sealed in plastic bags, preferably bin liners.
- Please do not leave waste outside your front door during the day or overnight, but take it straight to the estate refuse bins.
- Rubbish must not be left in communal areas.
- Items such as cardboard boxes should be collapsed before being put in a paladin.

Arranging for a Collection by the Council

For any bulky waste, such as furniture and appliances, please book a collection with Broxtowe Borough Council. Such items will not be collected during the regular collection if left in the bin store or anywhere else on site.

When you arrange a collection you will be asked to make sure the items are presented properly, so please make sure that: -

- Small articles are bagged-up, otherwise they may get left behind.
- Sofas, beds and carpets are covered.

- Branches and wood are tied and there are no sharp items (i.e. nails) remaining.
- Glass items are taped (including TV screens).
- The items you would want taken are clearly separated from any other items on your property.

If you would like to book a collection for the removal of bulky items, please go to the Broxtowe Borough Council website.

Cleaning

The communal areas are cleaned weekly on Monday/Tuesday. Grounds maintenance is carried out once monthly from November to February and twice monthly from March to October. Window cleaning is carried out once every two months from January to November.

RULES & REGULATIONS

Common Areas

Furniture is not permitted in the common areas on safety grounds. These areas should at no time be used for storage of other items such as cycles, shoes, etc. Flammable material must never be placed in common areas.

Noise

Generally, the apartments are well insulated for sound. However, slamming doors can cause inconvenience to your neighbours and your consideration is requested in this matter.

In general, please avoid high levels of noise which can be disruptive to other residents, particularly at night time.

The volume of TVs and other sound equipment should be controlled to avoid nuisance to your neighbours, particularly at night.

Smoking

In line with legislation, smoking is not permitted within any of the common areas of any building on the estate.

Do not throw cigarette ends out of any windows.

Private Works

You may want to instruct contractors to undertake some type of refurbishment (e.g. fit new kitchen) to your property.

There is the potential for nuisance if you allow your contractors to damage or create a mess in the communal areas, if they impede access, or from excessive noise. Consequently, contractors must be properly supervised to ensure any disruption is kept to an absolute minimum.

Also, as weekend and evening working is particularly anti-social in a residential environment, contractors are required to work only on weekdays and during normal working hours.

Residents are responsible for disposal of any and all waste material generated by themselves and their contractors.

Lease Regulations

These are summarised below as a guide. If you have any queries, you may always contact the Property Manager for further advice.

You may well find that this is a requirement of your contents insurance.

Please note that no work should be done to the balcony, doors or windows without consulting the Managing Agent in order to maintain the architectural integrity of the buildings.

No reasonable request will be refused, but failure to comply with any requirements may require that the property be reinstated to its original condition.

Owners have a choice of Sky TV (**NOT** including Sky Plus & Sky Q), Freeview Digital TV or equivalent via an owners personal Sky or Digital TV box

FIRE SAFETY

Please note: Fire procedures differ between properties, please take the time to familiarise yourself with the procedures for your individual property. The following information is a guide to general fire safety but may not be pertinent to your situation.

IF FIRE BREAKS OUT IN YOUR PROPERTY

Inform others present.

If possible close doors and windows to contain the fire.

DO NOT attempt to try to put out the fire.

All occupants of the property where the fire started should make their way out of the building in an orderly fashion, via the nearest emergency escape route.

Where there are disabled or elderly persons in the property, they may need help to escape.

DO NOT use a balcony, unless it is a designated escape route from the building.

Call Fire Services: dial **999** and ask for the Fire Service.

Give the operator the telephone number you are calling from and state clearly that a fire exists at **Johnson Court, 2-48 Shaw Road, Nottingham, NG9 6RS**

DO NOT end the call until the address has been repeated by the Fire Service.

Once safely out of the building, **DO NOT** re-enter.

IF FIRE BREAKS OUT IN THE COMMUNAL AREAS

DO NOT attempt to try to put out the fire.

Call the Fire Services: dial 999 and ask for the Fire Service.

Give the operator the telephone number you are calling from and state clearly that a fire exists at: **Johnson Court, 2-48 Shaw Road, Nottingham, NG9 6RS**

DO NOT end the call until the address has been repeated by the Fire Service

Stay in your apartment, unless it is affected by smoke or heat, or until the Fire Services have instructed you to evacuate.

If possible, close all doors and windows to limit the spread of fire.

If the Fire Services have instructed you to evacuate leave the building via the nearest emergency escape route.

DO NOT use a balcony, unless it is a designated escape route from the building.

Once safely out **DO NOT** re-enter the building

IF YOU ARE CUT OFF BY FIRE

Try to remain calm.

Close the door nearest to the fire and use towel sheets, or other suitable material to block any gaps around the door. This will help stop smoke from entering the room. If possible, go to the window, open it and shout for help. If the room becomes smoke filled, go down to floor level. It will be easier to breathe as the smoke will rise upwards.

If you are in immediate danger from fire and are not higher than the first floor of a building, it may be possible to drop to the ground without injury provided you get out of the window feet first and lower yourself to the full extent of your arms before dropping. Soft furnishings dropped first from the window will break your fall and limit the danger of injury.

Fire Alarm Faults

If you notice any fault relating to the fire alarm, please report this to us using the online reporting system which can be accessed at www.compass-bm.com.

To report a fault out of hours, please contact our emergency service on 0345 606 7660.

ADMINISTRATION

Service Charges

The Service charge year runs to the 31st December. Your interim service charge contribution is payable in two equal instalments due on the 1st January and 1st July.

The Service Charge comprises the costs and expenses incurred by the Management Company in providing services to the general estate including the buildings, grounds and staff.

An estimate of this expenditure is prepared prior to the start of each service charge year, from which your interim charge is calculated. Leaseholders then pay a percentage contribution of the estimate on account, half-yearly in advance.

A Sinking Fund has been established to contribute to future expenditure on major items.

Payments

Applications for payment are issued by the Managing Agent, usually slightly in advance of due dates to enable prompt payment. Interest and charges may be incurred if payments are not received within 14 days of the due date.

The applications will show the available methods of payment.

We would request that if possible, all shareholders please pay their service charge by electronic transfer to help minimise costs.

Insurance

Important: Please remember that your furnishings, carpets and personal belongings are not covered by any buildings insurance policy and we would recommend that you arrange personal contents cover. Vehicles and other personal property left on the estate are not covered.
